SHARED ETHICS ADVISORY COMMISSION
SERVING NWI SINCE 2005

Established in 2005, the Shared Ethics Advisory Commission (SEAC) represents local municipalities in Lake, LaPorte and Porter counties.

SEAC brings ethics awareness and training to the Region. Our member municipalities voluntarily commit themselves to the Shared Code of Ethics & Values.

Each election, SEAC asks candidates running for local office to pledge to provide their employees with training on ethical decision-making.

For this General Election, every Northwest Indiana candidate running for a local town or county office has been asked to sign the Ethics Pledge.

When you vote, we hope you will consider ethical government as one of your reasons for selecting a candidate.

**Courtney Smith, SEAC President**

# Election Day is Nov. 3, 2026!
